26°C Cloudy 21:31 02-11-2022

- Then select the file where your dataset download and click ok.

- Then the dataset is finish uploading.

The screenshot shows a web browser window with the URL `us1.ca.analytics.ibm.com/bi/?perspective=home`. The page header includes "IBM Cognos Analytics with Watson" and a search bar. A green notification banner at the top states "mock_kaggle.csv was uploaded successfully." with a "Hide Details" link. The main content area features a large illustration of data cubes and a welcome message: "Hello. Welcome to Cognos Analytics with Watson. You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this are two buttons: "Watch video" and "Take a product tour".

Below the main content area is a "Quick launch" section with four cards:

- Upload data**: Upload or drag and drop spreadsheets, csv files, and other data sources.
- Prepare data**: Use data modules to clean and connect data from multiple resources.
- Exploration**: Quickly find unbiased answers by identifying trends in your data with data exploration.
- Present data**: Create sophisticated, multi-page, multi-query dashboards, reports, or stories.

The bottom of the image shows a Windows taskbar with various application icons, the system clock showing 21:32 on 02-11-2022, and the language set to ENG IN.
